

CAMILLE B. ATIBAGOS

atibagos.camille10@gmail.com | +639759646731 | Mati City, Davao Oriental

PROFESSIONAL OBJECTIVE

Fourth-year Bachelor of Science in Information Technology student with hands-on experience in developing responsive websites and web-based management systems through academic and commission-based projects. Skilled in front-end web development with experience using HTML, CSS, JavaScript, Tailwind CSS, and Next.js. Experienced in developing school websites, inventory management systems, and rental management systems. Seeking an entry-level Web Developer, Front-End Developer, or Full-Stack Developer position where I can apply my technical skills and continue developing professional experience.

TECHNICAL SKILLS

HTML, CSS, JavaScript, Next.js, Tailwind CSS, Progressive Web Applications (PWA), Responsive Web Design, Front-End Development, Web-Based Management Systems, Git, GitHub, and Website Deployment.
